STOP HAVING NIGHTMARES

In October, Fortnite always celebrates Halloween and brings a series of new features with the Nightmares theme.

However, we do not celebrate death, but rather life.

This devotional is for those of you who want to improve your skills in the game and also grow in your knowledge of the Word of God.

FORTNITE

Fortnitemares 2024 Haunts Battle Royale Island in v31.40

Fortnite has been releasing a Halloween update every October for quite some time now dating all the way back to its initial release. For many, this is a normal and welcomed update. For others it is very exaggerated and controversial. In the following devotions we will think about all of this, and about what should be the correct attitude, in light of the Word of God, on this subject.

TODAY'S CHALLENGE

- **Drop into *Reckless Farm* and complete the *Jigsaw Challenge* mission**
- **Play a *Ranked Reload* and place in the top 3**

REFLECTION

Halloween is a pagan festival that celebrates death and honors witches and evil entities. How can we combat these things? The Word of God helps us in this dilemma.

LOOK AT WHAT THE BIBLE SAYS:

*Always be joyful. Never stop praying. Be thankful in all circumstances, for this is God's will for you in Christ Jesus. Do not quench the Spirit. Do not despise prophecies, but test everything that is said and hold fast to what is good. Stay away from every form of evil. **1 Thessalonians 5:16-22***

Some versions of the Bible say "flee from the appearance of evil". Maybe this is the best definition for everything we read here, we do not want to look like that which is evil. That is why we must follow these 7 practical steps for our lives.

These verses give us 7 practical steps, can you find them?

- 1 _____
- 2 _____
- 3 _____
- 4 _____
- 5 _____
- 6 _____
- 7 _____

Which of these do you find difficult?

Challenge for this week: read at least 1 verse a day and take time to pray.

FORTNITE

Living Dead

One of the main themes behind Halloween is talking about the spiritual world and hauntings of the undead, such as ghosts, zombies, etc. All of this is an illusion with the hopes of scaring us and generating curiosity.

However, the Bible teaches us that, oddly enough... we must actually be living dead! This is made clear when we read the Word of God.

TODAY'S CHALLENGE

- **Drop into the *Pumpkin Forum* and defeat the *Bot***
- **Play two *Duos* and try to get the best placement and the most elims**

REFLECTION

It is impossible to be dead and alive at the same time, like a zombie or a ghost. We know that these things do not exist. However, the Word of God tells us to be DEAD to sin and ALIVE to Christ. Just look:

In the same way, consider yourselves dead to the power of sin and alive to God in Christ Jesus.

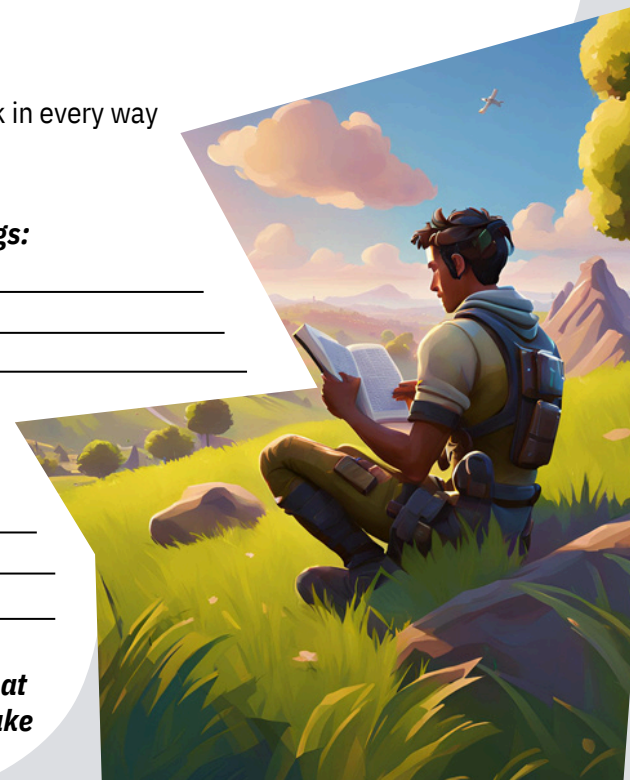

Romans 6:11

What the biblical text means is that we must turn away and seek in every way to stay away from sin and live in a way that pleases Christ.

What are ways you can become dead to your sin? List 3 things:

What do you do that shows you are seeking to live for Christ? List 3 things:

Remember: In everything you do, stop and ask yourself "What would Jesus do in my place?" This question will help you make wiser decisions that lead you to Life.

FORTNITE

Weapons of the Underworld

On the map we can find the Underworld, and this is not a Halloween update, as it has been on the map for some time now. However, we will talk a little about this in today's training.

TODAY'S CHALLENGE

- **Fall into the Underworld in Ranked Play**
- **Play a Ranked Reload and place in the top 3 with epic (purple) loot**

REFLECTION

Unlike Heaven, which is our hope and the home of God the Father, Hell is the place where there is death and suffering (Revelation 20:13-15).

Evil tries at all times to distance us from God, makes us sin and drags us away from a life with God. Just like in the game, where we find weapons in the underworld, forces of evil try in many ways to distance us from God. Have you ever stopped to think about how many excuses we have for not reading the Bible, not going to church, not praising God, not investing time in studying more about the things of God?

Have you ever thought about how all these excuses we make are also weapons of the enemy? Do you know that God gives us Armor so that we can face our enemy? Let's look at what the Bible says:

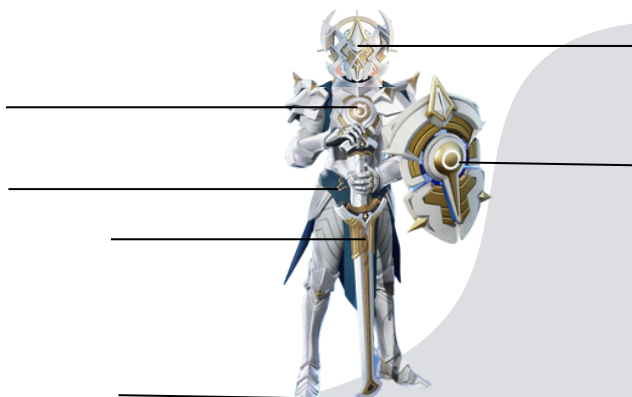

Put on the complete armor of God, that you may be able to stand against the wiles of the devil.

Ephesians 6:11

What are some things that get in the way of you being closer to God?

How can you face these traps and what weapons can you use?

**Challenge for the week:
Read Ephesians 6 and
discover the items of the
Armor of God**

FORTNITE

From Death to Life

In this Halloween themed Fortnite devotional we've talked about being encouraged to:

- Flee from the appearance of evil
- Become dead to sin and alive to Christ
- Use the full Armor of God to face the Underworld

Today we are going to talk about Mephisto's mission.

TODAY'S CHALLENGE

- **Fall into the *Underworld* in Ranked Play**
- **Play a *Ranked Reload* and place in the top 3**

REFLECTION

In Mephisto's mission, which is in the underworld, the first thing he asks is for you to bow yourself before him.

LOOK AT WHAT THE BIBLE SAYS:

You shall not bow down to them or serve them, for I the Lord am your God,...
Exodus 20:4-5

Of course, this is just a game and not reality, and it certainly does not express the reality of your heart. However, this is yet another cunning way for the Devil to make something seem simple and insignificant. The truth is that one day everyone will bow down and worship Jesus.

LOOK AT WHAT THE BIBLE SAYS:

Therefore God also highly exalted him and gave him the name that is above every name, so that at the name of Jesus every knee should bow, in heaven and on earth and under the earth, and every tongue confess that Jesus Christ is Lord, to the glory of God the Father. **Philippians 2:9-11**

This should be your hope, one of the certainty of an eternal life spent with God. This is only possible when we surrender our lives to Jesus to be our God and invite Him into our lives.

If you have never made the decision to invite Jesus to be the God of your life and live in your heart, you can. If that is truly your heart's desire, you can do it right now!

If you have already made this decision, think about what you need to do to keep God at the center of your life always.
